

# MUST HAVES for *Jet-Setters*

**W**e've handpicked some of the most elite travel accessories available today to complement your jet-setting and globe-trotting adventures. Consider snapping up a few of these accoutrements before your next trip...

## ■ Lingo Talking Translator

For affluent travelers around the globe, the Lingo Voyager III® can do just about everything. Pocket-sized, it provides audio and text display translation of 20 languages with more than 400,000 words and 46,000 phrases. If that's not enough, it also contains a calculator, currency converter, FM radio, alarm, calendar and voice recorder.
